June 6, 2019

The World Karate Commission (WKC) grants WKC Germany the authority to host competitions and training camps under the WKC brand.

The responsibilities of WKC Germany is as follows:

- to promote WKC in order to grow its membership.
- to bring the strongest possible National Team to the World Championships by creating an open, inclusive and fair tryout system for all German athletes regardless of what school or martial arts system they belong to.

By working together and being inclusive to all styles of martial arts, this will ensure the strongest possible National Teams for every country and this in turn makes for a true World Championship that our athletes will appreciate.

Sincerely,

A handwritten signature in blue ink, appearing to read 'John Douvris', is written over the word 'Sincerely,'.
